

ImageWorksVeterinary

ATTENTION ALL PROIMAGE SOFTWARE USERS:

Please be aware that if you are currently running our ProImage Software, free support will end on September 4, 2015. After this date, support will be charged at \$150 per hour, per incident.

We suggest upgrading to our latest acquisition software, ViewAll™ 3.2.

- More robust, easier to navigate, easier to use
- Dramatically improves image quality
- DICOM functionality
- Practice Management Software Compatible
- Works on Windows 7, 8 and newer
- Migration of your patient data from ProImage to ViewAll™ 3.2
- Free Training Videos
- Free Training Webinars
- Free Support

MSRP: \$1250

Special Upgrade Price: \$1125

Upgrade by September 4, 2015 and save \$125!
