

ImageWorksVeterinary

ATTENTION ALL PROIMAGE SOFTWARE USERS:

Please be aware that if you are currently running our ProImage Software, free support will end on September 4th, 2015. After this time, support will be charged at \$150 per hour, per incident.

We suggest upgrading to our latest acquisition software, ViewAll™ 3.2

- More robust, easier to navigate, easier to use
- Dramatically improves image quality
- DICOM functionality
- Practice Management Software Compatible
- Works on Windows 7, 8 and newer
- Migration of your patient data from ProImage to ViewAll™ 3.2
- Free Training Videos
- Free Training Webinars
- Free Support

ONLY \$1,250
